RE: Garland, Randolph to Washington

Dear Alderman Reilly:

Per your request, the Chicago Department of Transportation has completed a cost estimate for changing the direction of travel on Garland Court between Randolph and Washington to one-way southbound. The scope of this estimate includes removal of the bump out at the southeast corner of Randolph and Garland, as well as signage and pavement marking modifications. The conceptual plan is attached for your information.

This project is estimated to cost \$28,000. A source of funding is required in order to proceed with construction. If you would like to use your Menu funds, please sign and date the letter below and return it to our office by faxing it to 312-744-1200. An ordinance is required to enact this directional change. At your earliest convenience, please introduce the following ordinance to City Council:

Amendment of Vehicular Traffic Movement

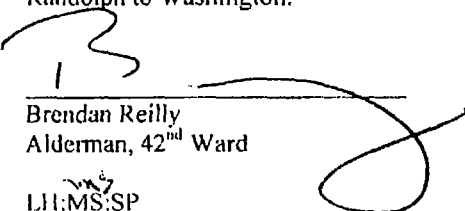

North Garland Court; East Washington Street to East Randolph Street; Single Direction-Southerly

Please contact me at 312-744-1987 if you have any questions.

Sincerely,

Luann Hamilton, Deputy Commissioner
Division of Project Development

I would like to use \$28,000 of my Menu funds to remove the bump out at the southeast corner of Randolph and Garland and install pavement markings and signage to convert Garland to one-way southbound from Randolph to Washington.

Brendan Reilly
Alderman, 42nd Ward
