#### RESOLUTION

- **WHEREAS**, On August 16, 2011, Mayor Rahm Emanuel and Chicago Department of Public Health ("CDPH") Commissioner Bechara Choucair, M.D., released *Healthy Chicago*, the City's first comprehensive public health plan; and
- **WHEREAS**, A blueprint for aggressive action, *Healthy Chicago* is intended to serve as a framework for CDPH to lead and to work with city departments and agencies, healthcare providers, community organizations and business groups to address issues vital to improving the health and well-being of all Chicagoans; and
- WHEREAS, *Healthy Chicago* identifies twelve priority areas to guide the work of CDPH over the next five years: tobacco use; obesity prevention; HIV prevention, adolescent health; cancer disparities; heart disease and stroke; access to health care; healthy mothers and babies; communicable disease control and prevention; healthy homes; violence prevention; and public health infrastructure; and
- **WHEREAS**, *Healthy Chicago* is consistent with CDPH's core mission and public health function; and
- WHEREAS, *Healthy Chicago* recognizes that improved public health in Chicago requires a commitment to health equity and to the elimination of racial and ethnic disparities in health and health care; and
- WHEREAS, *Healthy Chicago* is predicated on the belief that a healthy city requires healthy neighborhoods, and that healthy neighborhoods strengthen the social fabric by ensuring that the basic needs of individuals and families are met; and
- **WHEREAS**, The public health system has a direct impact on the quality of life of all Chicagoans; now, therefore,
- **BE IT RESOLVED**, That we, the Mayor and Members of the City Council of the City of Chicago, assembled this 8<sup>th</sup> day of September, 2011, do hereby direct the City Council Committee on Health and Environmental Protection to hold an informational hearing on *Healthy Chicago*, and to invite CDPH Commissioner Bechara Choucair, M.D., to testify at such hearing.
